
TERRAMARTE®
CREATING SOLUTIONS
CREATING AWARENESS

Terramarte was born more than fifteen years ago from our **love for the planet** and the conviction that taking care of it is a decision in our hands. We live in a world that has welcomed us without asking for anything in return, that has given us majestic landscapes and wonderful species that never cease to amaze us every day; however, we have not been as generous with it, and human greed has put its natural balance at risk. World Economic Forum predictions say that, if we don't take action, by 2050 there will be **more plastic than fish in the ocean**. **We decided to be part of the solution** and work to offer people and other brands solutions in the form of products like eco-friendly bags made from reusable, natural, or recycled materials. Our commitment is to **innovation**, **quality**, **design**, and above all, **the planet.**

Terramarte, **we create solutions, we create awareness.**

WITHIN OUR PRODUCT PORTFOLIO —AND THAT OF THE ENTIRE CATEGORY— TRADITIONAL TOTE BAGS HAVE BECOME ONE OF THE MOST REQUESTED PRODUCTS BY ALL CLIENTS AND IN SOME WAY, AN ICON OF THE FIGHT AGAINST PLASTIC BAGS.

IT WAS IMPOSSIBLE TO THINK OF A PREMIUM PRODUCT COLLECTION WITHOUT A STYLIZED VERSION OF WHAT IS COMMONLY KNOWN AS A TOTE BAG.

RRRAFIA BAG

RAFFIA BAGS (SYNTHETIC FIBER MATERIAL) ARE ANOTHER CUSTOMER FAVORITE DUE TO THEIR STRENGTH AND PRICE, BUT FOR THEM TO TRULY FULFILL THEIR ENVIRONMENTAL PURPOSE, THEY MUST BE REUSED AS MANY TIMES AS POSSIBLE—SOMETHING THAT IS NOT YET ACHIEVED FOR SEVERAL REASONS, ONE OF THEM BEING DESIGN.

THAT BEING THE CASE, WE DECIDED TO COMPLETELY MODERNIZE THE BAG CONCEPT BY REINTERPRETING ITS DESIGN, MESSAGE, AND SILHOUETTE.

TO MAKE IT MORE STRIKING, WE PROPOSED A HANDBAG-STYLE CUT. IT INCORPORATES HANDLES AND STRAPS PRINTED WITH ECOLOGICAL MESSAGES AND, TAKING ADVANTAGE OF THE HIGH-RESOLUTION PRINTING CAPABILITY OFFERED BY THE MATERIAL, WE CREATED PATTERNS IN DIFFERENT COLORS SIMULATING FABRIC TEXTURES TO GIVE IT A LESS RUSTIC AND MORE ATTRACTIVE FINISH.

WITH ITS MILITARY-STYLE DRILL FABRIC, IT COMBINES DURABILITY AND FASHION, MAKING IT PERFECT FOR THE BEACH, THE MOUNTAINS, UNIVERSITY, THE OFFICE, THE GYM, AND MUCH MORE.
